

RESEARCH REGISTRY TECHNOLOGY AND DISABILITY

We are inviting you to be a part of shaping the future of technology for individuals with disabilities.

Here is What You Can Expect:

- Staying updated on the latest research opportunities
- Having the option to take part in research studies
- Helping advance research and meaningful tech solutions

Qualifications:

- 18 years of age or older
- Able to comprehend English
- A person with disability, a caregiver of a person with disability, or professional working with individuals with disabilities

SIGN UP!

JOIN US!

Join our Registry TODAY!

- Fill out a one-time approximately 20-minute questionnaire on demographic information and tech experience.
- Sign up virtually or in person.
- Participating is voluntary and without compensation. However, by joining, you will have the opportunity to be contacted for relevant research studies that match your interests and eligibility, which may offer compensation.
